

**Grants by Grant Cycle****Grants matching your search for 2016-17 Beverage Container Recycling Grant Program (RBC28)****Los Angeles County****Grantee:** Loyola Marymount University**Amount Awarded:** \$67,000.00**Grantee Contact:** Trevor Wiseman**CalRecycle Grant Manager:** Rhoderick Estrada

**Project Summary:** Loyola Marymount University (LMU) Housing Recycling Bin Project (Phase III) seeks to address the recycling needs of the LMU Student Residents living on LMU's Westchester Campus in Los Angeles. Purchase and install approximately 50, 64 gallon beverage container recycling bins that are clearly labeled and easily accessible recycling stations in each student residential facility. In addition, this project will continue to develop and test recycling containers that can specifically complement multi-level student residential facilities equipped with trash chutes.

*Total Awarded for County: \$67,000.00***Mono County****Grantee:** Town of Mammoth Lakes**Amount Awarded:** \$211,732.00**Grantee Contact:** Haislip Hayes**CalRecycle Grant Manager:** Rhoderick Estrada

**Project Summary:** The Town of Mammoth Lakes (TOML) will expand the multi-family housing beverage container recycling program by adding approximately 30 underserved multi-family complexes and business locations currently out of compliance with AB 341. In addition, the project will also upgrade beverage container recycling equipment at the Mammoth Disposal California Redemption Center by upgrading the baler, glass crusher and conveyor in order to increase efficiency to handle additional material volumes generated by this project.

*Total Awarded for County: \$211,732.00***Monterey County****Grantee:** City of Pacific Grove**Amount Awarded:** \$80,000.00**Grantee Contact:** Mr. Milas Smith**CalRecycle Grant Manager:** Duartina Johnson

**Project Summary:** The City of Pacific Grove will replace approximately 58 aging waste and 13 recycling receptacles in the parks, recreational spaces and public buildings in Pacific Grove, by purchasing and installing approximately 50 dual waste-beverage container recycling bins. Education through print, social media and signage will promote proper use of these containers by both residents and visitors.

*Total Awarded for County: \$80,000.00***Orange County****Grantee:** Rancho Santiago Community College District**Amount Awarded:** \$191,200.00**Grantee Contact:** Ms. Tracey Conner-Crabbe

**CalRecycle Grant Manager:** Duartina Johnson

**Project Summary:** Rancho Santiago Community College District will implement commingled recycling collection at Santa Ana College, Santiago Canyon College, Centennial Education Center, Digital Media Center, Orange Education Center, Orange County Sheriff's Regional Training Academy, and the District Office. Purchase and install approximately 1,480 beverage container recycling bins and tilt trucks. In addition, the project will provide education and outreach, promotional materials, and consulting services.

*Total Awarded for County: \$191,200.00*

#### **Sacramento County**

**Grantee:**City of Sacramento

**Amount Awarded:** \$82,238.00

**Grantee Contact:** Tyler Stratton

**CalRecycle Grant Manager:** Shamila Tooker

**Project Summary:** The City of Sacramento will purchase approximately 65 tamper proof beverage container recycling bins near the Golden 1 Arena (G1) which opened in October 2016. Installation of additional beverage container recycling bins at strategic locations will be based on pedestrian traffic flows around the arena and other downtown commercial corridor locations.

*Total Awarded for County: \$82,238.00*

#### **San Diego County**

**Grantee:**City of San Diego

**Amount Awarded:** \$248,144.00

**Grantee Contact:** Mr. Ken Prue

**CalRecycle Grant Manager:** Tharon Wright

**Project Summary:** The City of San Diego will purchase and install approximately 250 beverage container recycling bins, and provide education through signage. Mission Bay Park and Tri-Canyon Park are expansive, high use parks, used by local citizens, tourists, and special events located in the heart of the City of San Diego.

*Total Awarded for County: \$248,144.00*

#### **Solano County**

**Grantee:**City of Vallejo

**Amount Awarded:** \$85,000.00

**Grantee Contact:** Daniel Armenta

**CalRecycle Grant Manager:** Tharon Wright

**Project Summary:** The City of Vallejo will expand the current beverage container recycling program at the city's largest recreational facility, Discovery Kingdom by purchasing and installing approximately 40 beverage container recycling bins and signage at the park.

*Total Awarded for County: \$85,000.00*

#### **Tulare County**

**Grantee:**City of Dinuba

**Amount Awarded:** \$60,000.00

**Grantee Contact:** Luz Torres

**CalRecycle Grant Manager:** Duartina Johnson

**Project Summary:** The City of Dinuba will purchase approximately 1,500, seven (7) gallon beverage container recycling bins to collect beverage containers at multi-family apartment complex with five (5) or more units. Purchase approximately three (3) gallon and 45 gallon beverage container recycling bins for motels, hotels, and City of Dinuba Parks. Top mounted five (5) gallon containers will be distributed in downtown Dinuba.

*Total Awarded for County: \$60,000.00*

#### **Ventura County**

**Grantee:** City of Oxnard

**Amount Awarded:** \$249,066.00

**Grantee Contact:** Eric Humel

**CalRecycle Grant Manager:** Tharon Wright

**Project Summary:** The City of Oxnard will integrate beverage container recycling efforts into the existing City Corps Townkeeping Litter Abatement efforts, train Oxnard City Corps teams and coordinate beverage container recycling collection activities with ongoing litter abatement activities throughout the city, to include underserved multi-family residential dwellings. Provide education and outreach targeted to approximately 771 housing developments in underserved multi-family residential dwellings.

*Total Awarded for County: \$249,066.00*

#### **Yolo County**

**Grantee:** City of Davis

**Amount Awarded:** \$197,851.00

**Grantee Contact:** Jennifer Gilbert

**CalRecycle Grant Manager:** Shamila Tooker

**Project Summary:** The City of Davis will improve the existing beverage container recycling program in the downtown core area, Central Park, other city parks and greenbelt areas by strategically purchasing and installing approximately six (6) Bigbelly Smart Waste and Recycling System dual bins (trash and recycling) and 100 Busch Systems Uptown container systems (trash and recycling) to increase recycling and decrease litter. The city is proposing a six-month pilot program to test the six (6) Bigbelly container systems and 25 of the Uptown container systems. After six months of observation, the city will identify ideal placements (in downtown locations, city parks and greenbelts) for the remaining 75 Uptown container systems and if they have proven to have positive results, two additional Bigbelly container systems.

*Total Awarded for County: \$197,851.00*
